# WELCOME

I'd like to welcome you and your colleagues to HSJ's digital news and insight service.

HSJ is unique in covering all aspects of English healthcare. We have correspondents for every region of the country and each of the sector's most important subjects.

We promise to bring you the most important news first and to deliver unequalled analysis of all the major issues of the service. You will be able to access everything on your desktop, laptop, tablet and smartphone.

To make the most of HSJ's unprecedented coverage can I encourage you to do two things once you have registered.

First, if you have a full digital subscription, download the app and, second, sign up for HSJ's email newsletters.

NHS England chief executive Simon Stevens recently told Parliament that he was "an avid reader" of HSJ, as it is "packed full of interesting stuff".

**I hope and trust you will agree.**
